June, 2017

Dear Weber Parents/Guardians,

Exciting things are happening at Weber! Middle school presents a series of defining moments for your children and, as representatives of the Weber Home and School Association (HSA), we feel it should be an equally engaging experience for parents. As a Weber parent/guardian, you no longer have to sign up to become a member of the HSA. **You are automatically part of the Weber HSA community**, and we welcome you to participate in as many ways as you can.

Our Weber HSA community includes about 1,200 families and 200 staff members! Throughout their three years in middle school, all the students will have great opportunities to challenge themselves, gain some independence, make new friends and discover their academic potential. By the end of eighth grade, your child will be ready for high school.

Of course, this growth does not happen alone and in partnership with you, we hope to make these three years of middle school a memorable experience. As we prepare for the 2017-2018 school year, we are asking for your help to make the coming year the most rewarding yet.

Attached please find your **2017-2018 Registration Packet** which includes several forms to fill out:

2017-2018 School Year – Compact for Learning Committee Form

(PLEASE PRINT VERY CLEARLY)

In 1994, The New York State Education Department called upon all school districts to establish "*Compact for Learning*" committees at each school within a district. The purpose of the Compact Committee is to allow for local site-based planning and shared decision-making around such issues as budgets, school climate, cultural arts, homework, building & facilities, and home & school communication. This is to be accomplished by a combined group of faculty, administrators, and parents. Weber's ten-member Compact Committee consists of Weber's principal, four teachers, one support staff member, and four parents. Three of these parents are selected from our Weber parent body. A member of the Executive Board of the Weber HSA represents the fourth parent position.

The Compact Committee meets once a month, on a day chosen by the committee, usually from 4:15 – 5:15 pm in the Weber Principal's Office. Attendance at these meetings, in their entirety, is expected.

This year we have one parent position open. The position is for a two-year term, except for those parents whose child will be in the eighth grade. (If an 8th grade parent is selected, another parent may serve to fill the second year of that term.) If you are interested in serving on Weber's Compact Committee, please submit the Nominee Information Form below. A Nominating Committee will meet to consider all the candidates, and you will be notified of the results in August.

Yes, I am interested in serving on the **Weber Compact for Learning Committee**:
