

## Port Washington School District's **2018 Local Summer Food Drive**

Many people in our community rely on our schools' free/reduced lunch program and our local food pantries to feed their families. Each year, more and more Port families report being food insecure. Over the summer the food pantries need our help staying stocked in order to continue serving and providing nourishment to our students and their families.

### **You can help or be helped locally!**

Each school in the district did a separate drive to help fill one of these Port Washington pantries:

Our Lady of Fatima  
6 Cottonwood Rd

St Peter's of Alcantara  
1317 Port Washington Blvd.

Lutheran Church of Our Savior  
12 Franklin Ave.

**Volunteer:** Throughout the summer, we will continue our outreach efforts. We are going to coordinate with the pantries and will be asking for supplies, as needed, throughout the summer. If you would like to be a part of the volunteer network keeping the pantries stocked, please email Julie Kozinn ([juliekozinn@yahoo.com](mailto:juliekozinn@yahoo.com)) or Pam Kraus ([pamskraus@gmail.com](mailto:pamskraus@gmail.com)).

**For assistance:** If you would like the support of our local pantries for food or supplies, please contact the service organizations listed above. We encourage you to utilize the resources within our town. There are outreach representatives at each location to assist you. Additionally, please contact the school counselor or social worker from your home school. They can best help connect you to these local resources before the end of the school year. You needn't go without while school is not in session. We are a special community and supporting each other is a large part of what makes us so special.

**Questions?** Please contact your School Counselor, Social Worker, or HSA/PTA President.
