Time Commitment: Middle school is traditionally an 8 week season with games and practices Monday through Friday. During the fall season, there could be a football game on Saturday and in the winter II season, wrestling matches could occur on Saturday. Both events would be in the morning.

Advanced Placement Process (APP)- The district provides the opportunity for middle school age athletes to compete on the high school varsity team only. The athlete must be an impact player or starter on the varsity. The APP process information is available on the Schreiber and Weber athletic websites. The process includes an interview, profile sheet including video of player, maturation test, and fitness test. Any request for consideration is initiated by the parent to the high school athletic director or coach and deadlines for the completion of the process is firm.

Weber Middle School has an athletics web page where you will find schedules, medical forms and coach information.
